FLORIDA MEN EARN SCHOLAR TEAM OF THE YEAR HONORS AMONG ALL-ACADEMIC **TEAMS**

By Kyle Terwillegar, USTFCCCA July 24, 2013

NEW ORLEANS – It's a second-straight sweep in the swamp: the Florida men's track & field program have earned Scholar Team of the Year honors for both the 2013 Division I indoor and outdoor track & field seasons for the second consecutive season, the U.S. Track & Field and Cross Country Coaches Association (USTFCCCA) announced Wednesday.

As the highest-placing teams with at least a 3.00 cumulative team grade point average at both this season's indoor and outdoor NCAA Division I Championships, the Gators stood out among 111 men's programs that combined academic and athletic achievement to earn All-Academic Team honors this season. The full list can be found below.

Finishing the 2012-13 campaign with a cumulative 3.016 team GPA, the Gators swept the indoor and outdoor Scholar Team of the Year honors in 2013 with runner-up and co-champion finishes at the NCAA Division I Indoor and Outdoor Championships, respectively. Florida also accomplished this feat during the 2011-12 academic year when it won both the indoor and outdoor team titles.

Prior to Florida claiming both indoor and outdoor Scholar Team of the Year honors for two straight academic years, no men's team had accomplished that since the award's inception in 2007. The Arizona State women in 2007 and 2008 were the first Division I team to win both indoors and out two years in a row.

The USTFCCCA also announced Tuesday the 2013 Division I All-Academic Track & Field teams. A total of 111 institutions earned the distinction as a result of earning a cumulative team GPA of 3.00 or higher.
