The President may establish committees to study topics or perform specific duties. These committees may be established at any time throughout the year and may remain intact until their charge has been accomplished. Such committees shall have the authority to make recommendations and carry out any directives issued by the President and/or Executive Committee.
Division I Track and Field Meetings
Convention/Annual Meeting

Purpose
There is an annual meeting of the Association at the site of the annual USTFCCCA convention. The meeting includes a business meeting and other pertinent information.

Attendance Requirement
Attendance at the convention/annual meeting is mandatory for all Division I Track and Field Officers, Conference Representatives, and other members of the Executive Committee. Those who will not be able to attend should notify the Division I Track and Field President as soon as possible.

Business
The order of business is:
1. Report of the Secretary
2. Report of the President
3. Other Committee Reports
4. Old Business
5. New Business

Division I Track and Field business meetings follow the Bylaws of the U.S. Track & Field and Cross Country Coaches Association, the Operating Bylaws of the NCAA Division I Program Membership Divisions (Track and Field), and this handbook. When a procedural question is not defined within these documents, Division I Track and Field business meetings follow Robert’s Rules of Order, Newly Revised.

Items of Business
Submission of Proposals
The Secretary shall ensure that proposals may be submitted online at any time, through the USTFCCCA website, and that calls for proposals are made once per quarter throughout the year.

The Division I Track & Field President shall ensure that all submitted proposals are distributed to the Executive Committee and that the submitter of each proposal is scheduled to present their proposal to the Executive Committee. The Executive Committee shall review and discuss each proposal after it has been presented by the submitter.

The Executive Committee has three possible actions to take following their discussion of the proposal:
1. The Division I Track and Field President may assign the proposal to a standing committee or create a committee or working group to review the proposal and provide a recommendation to the Executive Committee
2. The Executive Committee may postpone the proposal until a future meeting in order to allow more time for discussion, to gather additional information, or to gather feedback from the membership or an outside party
3. The Executive Committee may vote on the proposal (a quorum is required)
When the Executive Committee takes action on a proposal, the secretary shall ensure that the proposal and said action are made available to the membership through the USTFCCCA web site.

Once the Executive Committee votes upon a proposal, said proposal is deemed an agenda item and will be assigned to a member(s) of the Executive Committee to present the agenda item, and the Executive Committee’s position on said proposal, to the membership. Presentation of agenda items to the membership will occur at the following USTFCCCA Convention, unless the item has a response deadline prior to the next convention.

The Executive Committee’s action shall stand as the position of the membership on any proposals that require a response prior to the next convention. A majority vote of the Executive Committee members present under a quorum may move to designate a proposal as requiring a response prior to the next convention. The Secretary shall ensure that the proposals requiring a response prior to the next convention and the Executive Committee’s decision are made available to the membership prior to the next Executive Committee meeting.

For all other proposals, once the Executive Committee votes upon a proposal, said proposal is deemed an agenda item and will be assigned to a member(s) of the Executive Committee to present the agenda item, and the Executive Committee’s position on said proposal, to the membership.

Once an agenda item has been presented to the membership at convention, the Division I Track and Field President shall allow for a pre-determined period of discussion on the item. If the Executive Committee had previously voted in favor of the agenda item, then said item would be placed on the voting ballot for the membership at the current Convention. If the Executive Committee voted to oppose an agenda item or takes no action on an agenda item, then the opinion of the Executive Committee stands as the position of the membership, unless the agenda item receives a motion from the floor to place the item on the voting ballot at that convention, a second, and a majority vote from members present at the meeting (vote shall be conducted by voice, if the decision of the membership is not clear then a vote shall be conducted by rising).

All proposals received prior to the final Executive Committee conference call of the calendar year to be considered at convention shall be made available to the Division I general membership prior to the start of the convention.

**Voting**

Members of USTFCCCA Division I Track and Field must be present to vote at convention. Voting is by membership, unless the President and/or a plurality of the Executive Committee call for a Unit Vote.

**Quorum**

A minimum of seventy-five (75) eligible members shall constitute a quorum for voting at the annual convention.
Types

Membership: Voting is conducted by member Coach. Each Division I Coach from a program that sponsors men’s and/or women’s Track and Field, who is present at the voting session(s), receives one (1) vote. Coaches may not cast a ballot for a Coach who is absent from the official voting session(s).

Unit Vote: Voting is conducted by member program. Each institutional program receives one vote, such that a Division I men’s or women’s Track and Field program receives one (1) vote, and a Division I combined Track and Field program receives two (2) votes. Only one designated representative per member program may cast a vote. This designated representative need not be the head Coach. Coaches may not cast a ballot for institutions that have no representatives present at the official voting session(s).

Action

The Division I Track and Field President, along with the USTFCCCA national office, is responsible for ensuring that appropriate action is taken following the annual convention/business meeting, particularly as necessitated by the results of Division I Track and Field voting sessions.

National Championships

Division I Track and Field Officers, Conference Representatives, and other members of the Executive Committee may meet at the sites of the Division I Indoor and Outdoor Track and Field Championships.

Conference Calls

Purpose

Division I Track and Field conference calls serve to inform Division I Track and Field Officers, Conference Representatives, and other members of the Executive Committee of issues affecting the Division I Track and Field membership. These calls also provide a forum for proposal presentation, discussion, and action on Division I Track and Field issues.

Schedule

Division I Track and Field scheduled conference calls take place once per month from January through November. Special conference calls may be scheduled by the President at any time during the year, as needed.

Currently, Division I Track & Field conference calls are scheduled for 10:00 AM Central Time on the third Wednesday of the months of January through November.

Attendance Requirement

Attendance on conference calls is mandatory for all Division I Track and Field Officers, Conference Representatives, and other members of the Executive Committee. Those who will not be able to attend should notify the Division I Track and Field President and Secretary as soon as possible.
Business
Monthly conference call agendas shall be of the following format:

- Roll Call
- Information items
- Continuation of previously addressed proposals
- Proposal Presentations
- Discussion of new proposals
- Questions/Future discussion items
- Comments from the national office

The Division I Track and Field conference calls follow the Bylaws of the U.S. Track & Field and Cross Country Coaches Association, the Operating Bylaws of the NCAA Division I Program Membership Divisions (Track and Field), and this Handbook. When a procedural question is not defined within these documents, the Division I Track and Field conference calls follow Robert’s Rules of Order, Newly Revised.

Voting
The Executive Committee may vote during or in conjunction with a regularly scheduled or special conference call, as necessary. All members of the Executive Committee should be notified in advance of the call, and a quorum must be established in order for a vote to take place.

Action
The Division I Track and Field President, along with the USTFCCCA national office, is responsible for ensuring that appropriate action is taken following conference calls, particularly in preparing the agenda for the annual convention/business meeting. Conference Representatives are responsible for informing the Coaches in their conference of any items discussed during conference calls that affect Division I Track and Field generally or the Coaches of their conference specifically.

Special Meetings

Purpose
In addition to the regular meetings of the Association, the President, or the Executive Committee by majority vote, may call a Special Meeting whenever the welfare of the Association or sport of Track and Field warrants such an action.

Voting
The Executive Committee may vote during a special meeting, as necessary. All members of the Executive Committee should be notified in advance of the meeting, and a quorum must be established in order for a vote to take place.

Division I Track and Field Rankings
Indoor Track and Field

Division I Indoor Track and Field national rankings and regional team index are released by the USTFCCCA national office on Tuesdays during the Indoor Track and Field season. Dates are predetermined by the Division I Track and Field Executive Committee.

**Preseason Ranking:** Released on the Tuesday 10 weeks prior to the Division I Indoor Track and Field Championships.

**Regular Rankings:** Released weekly on Tuesdays beginning seven (7) weeks prior to the Division I Indoor Track and Field Championships and ending with the Tuesday prior to the NCAA Division I Indoor Track and Field Championships (seven (7) releases). The final regular season ranking is reflective of entries into the NCAA Division I Indoor Track and Field Championships.

The national rankings are based on awarding points and bonus points to season-best performances from the NCAA descending order lists of performances. The regional team index is scored using the current national-team ranking formula as if there were separate regional championships across the country. The rankings are compiled using performance data submitted to the Track & Field Results Reporting System (TFRRS).

**Eligibility:** On a weekly basis, only marks reported to TFRRS by Monday morning at 7 am, Central Time, are eligible for consideration in that week’s national or regional rankings. Programs must be eligible for listing on the NCAA “qualifying lists” to be eligible for national or region rankings. A program must be in good membership standing with the USTFCCCA in order to be eligible for rankings. The preseason ranking and Week 1 rankings are considered a grace period for USTFCCCA membership status. Non-member programs will be listed on these reports in RED indicating their non-member status. After these two rankings, non-member programs will not be listed in USTFCCCA rankings.

Outdoor Track and Field

Division I Outdoor Track and Field national rankings and regional team index are released by the USTFCCCA national office on Tuesdays during the Outdoor Track and Field season. Dates are predetermined by the Division I Track and Field Executive Committee.

**Preseason Ranking:** Released on the Tuesday ten (10) weeks prior to the Division I Outdoor Track and Field Championships.

**Regular Rankings:** Released weekly on Tuesdays beginning nine (9) weeks prior to the Division I Outdoor Track and Field Championships and ending with the Tuesday one (1) week prior to the NCAA Division I Outdoor Track and Field Preliminary Rounds. A final regular season ranking is released on the Tuesday prior to the NCAA Division I Outdoor Track and Field Championships (nine (9) releases). The final two (2) regular season rankings are reflective of entries into the NCAA Division I Outdoor Track and Field Preliminary Rounds of the Championships and qualifiers into the NCAA Division I Outdoor Track and Field
Final Rounds of the Championships, respectively. A final regional index will be compiled after the conclusion of the NCAA Division I Outdoor Track and Field Championships.

The Bowerman

Selection
1. The Bowerman Advisory Board maintains The Bowerman Women’s Watch List and The Bowerman Men’s Watch List throughout the NCAA collegiate Track and Field seasons, updated from January to June. Placement on the Watch List is based on the top performers in NCAA Track and Field.
2. In early June, the Bowerman Advisory Board selects three (3) Finalists in each gender for The Bowerman. Finalists are the top performers in NCAA Track and Field for that year.
3. From the list of Finalists, The Bowerman Voters vote to determine the men’s and women’s winners of The Bowerman.
4. Finalists are invited to The Bowerman Announcement and Presentation Ceremony.

Eligibility
Programs must be members of a Program Membership Division who are in good standing with the USTFCCCA in order for their student-athletes to be eligible for this award.

Award Distribution
The winner of The Bowerman is announced and presented at The Bowerman Ceremony.

Track and Field All-Academic Individuals

Selection
1. Awarded to all recommended student-athletes who meet the following criteria:
   a. Cumulative GPA: 3.25 or higher on a 4.0 scale, including the most recent grading period, certifiable by either NCAA Faculty Rep or NCAA Compliance Coordinator or Registrar’s Office.
      i. Institutions utilizing a different GPA scale must convert the GPA to a 4.0 scale using the standard conversion method [GPA/Scale x 4.0].
   b. Athletic criteria for the award can be met in either the indoor season, the outdoor season, or both:
      i. For the indoor season: must have finished the season ranked in the top 96 in any championship individual event, or in the top 48 in any championship relay event, for the most recent indoor season, certifiable by their place on final season performance lists
on TFRRS for Indoor Track and Field (including performances achieved outside the qualifying window during the indoor season).

ii. For the outdoor season: must have participated in any round of the NCAA Division I Outdoor Track and Field Championships (the Preliminary Championship Competition and/or the Final Championship Competition) or for the multi-events, must have finished the season ranked in the top 48 in the East or top 48 in the West for the most recent outdoor season, certifiable by their place on the NCAA Division I descending order lists on TFRRS for Outdoor Track and Field.

c. Must have completed at least two (2) semesters or three (3) quarters at the certifying institution.

2. Forms are available online at the USTFCCCA website and must be submitted to the national office before the deadline published by the national office.

3. All-Academic criteria are not separated into indoor and outdoor seasons.

Eligibility
Programs must be members of a Division I Program Membership Division who are in good standing with the USTFCCCA in order for their student-athletes to be eligible for this award.

Award Distribution
Two (2) All-Academic certificates are mailed by the national office to each qualifying student-athlete’s program. One of these certificates should be given to the qualifying student-athlete.

Late Nominations
1. Late nominations will be accepted until 90 calendar days after the deadline published by the USTFCCCA national office for All-Academic nominations.

2. Late nominations will not be included in the press release announcing All-Academic selections, but will be included in official records of All-Academic honorees.

3. All late nominations are subject to (1) a flat $50 late fee; and (2) a charge of $20 per set of All-Academic certificates printed. Two (2) All-Academic certificates are included in each set.

Track and Field All-Academic Teams
Selection
1. Awarded to all recommended teams who meet the following criteria:
   a. The cumulative GPA for all student-athletes on the institution’s NCAA Squad List for Indoor and/or Outdoor Track and Field must be 3.0 or higher on a 4.0 scale, including the most recent grading period, certifiable by either NCAA Faculty Rep or NCAA Compliance Coordinator or Registrar’s Office.
   b. The cumulative GPA of all student-athletes on the institution’s NCAA Squad List for Indoor and/or Outdoor Track and Field must be computed by the following method:
      i. Total the cumulative number of semester hours or quarter hours earned for all student-athletes on the NCAA Squad List including the most recent grading period;
ii. Total the cumulative number of quality points earned by all student-athletes including the most recent grading period;

iii. Divide the cumulative number of quality points earned by the cumulative number of semester or quarter hours earned.

iv. Institutions utilizing a different GPA scale than 4.0 then must convert the GPA to a 4.0 scale using the standard conversion method \([\text{GPA/Scale} \times 4.0]\).

2. Nomination forms are available online at the USTFCCCA website and must be submitted before the deadline published by the national office.

3. All Academic criteria are not separated into Indoor and Outdoor seasons.

**John McDonnell Men’s Program of the Year Award**

**Selection**

Award winners are selected annually as follows:

1. Awarded to one (1) men’s Division I Cross Country and Track and Field program each year.

2. Each qualifying men’s program receives points based on their finish at each of the three national championships (first place = one (1) point, second place = two (2) points, etc.).

3. The men’s program with the fewest total points receives the award.

   a. In the case of a tie for the top spot in the Program of the Year final standings, the tie will be broken as follows:

      i. Compare finishes for each program in each sport. The program that finished ahead the most number of times wins the tie-break (e.g., Program A finished higher than Program B in Cross Country and Outdoor Track & Field. Program B finished higher than Program A in Indoor Track & Field. Program A wins the tie-break).

      ii. If programs are still tied, the tie will be broken by the best overall finish in any sport (e.g., Program A finished 2\textsuperscript{nd} in Indoor Track & Field and Program B finished 1\textsuperscript{st} in Cross Country. Program B wins the tie-break). If still tied, the
second-best overall finishes are compared. If still tied, the third-best overall finishes are compared.
b. Ties will not be broken for any other place in the final Program of the Year standings.

**Eligibility**

1. The men’s program must have competed and compiled a team score at the NCAA Division I Cross Country, NCAA Division I Indoor Track and Field, and NCAA Division I Outdoor Track and Field National Championships in the same academic year.
2. Programs must be members of a Division I Program Membership Division who are in good standing with the USTFCCCA in order to be eligible for this award.
