Division II General Meetings
Convention/Annual Meeting

**Purpose**
The USTFCCCA Convention serves as the annual business meeting for USTFCCCA Division II.

**Attendance Requirement**
Attendance at the convention/annual meeting is mandatory for all Division II Executive Council members. Those who will not be able to attend should notify the Chairman as soon as possible.

**Business**
The general policy of business shall be:
(a.) The secretary's report
(b.) Other committee reports
(c.) Old business
(d.) New business

Division II Executive Council business meetings follow the Bylaws of the U.S. Track and Field and Cross Country Coaches Association, the Division II Program Membership Divisions Operating Bylaws, and this Handbook. When a procedural question is not defined within these documents, Division II Executive Council business meetings follow *Robert’s Rules of Order, Newly Revised*.

**Items of Business**

**Submission of Proposals**
The secretary shall ensure that proposals may be submitted online at any time, through the USTFCCCA web site, and that calls for proposals are made once per quarter throughout the year.

The Chairman shall ensure that all submitted proposals are distributed to the Executive Council and that the submitter of each proposal is scheduled to present their proposal to the Executive Council. The Executive Council shall review and discuss each proposal after it has been presented by the submitter.

The Executive Council has three possible actions to take following their discussion of the proposal:
1. The Chairman may assign the proposal to a standing committee or create a committee or working group to review the proposal and provide a recommendation to the Executive Council
2. The Executive Council may postpone the proposal until a future meeting in order to allow more time for discussion, to gather additional information, or to gather feedback from the membership or an outside party
3. The Executive Council may vote on the proposal (a quorum is required)

When the Executive Council takes action on a proposal, the secretary shall ensure that the proposal and said action are made available to the membership through the USTFCCCA web site.

The Executive Council’s action shall stand as the position of the membership on any proposals that require a response prior to the next convention. A majority vote of the Executive Council members
present under a quorum may move to designate a proposal as requiring a response prior to the next convention. The secretary shall ensure that the proposals requiring a response prior to the next convention and the Executive Council’s decision are made available to the membership prior to the next Executive Council meeting.

For all other proposals, once the Executive Council votes upon a proposal; said proposal is deemed an agenda item and will be assigned to a member(s) of the Executive Council to present the agenda item, and the Executive Council’s position on said proposal, to the membership.

Once an agenda item has been presented to the membership at convention, the Division II Cross Country President shall allow for a pre-determined period of discussion on the item. If the Executive Council had previously voted in favor of the agenda item, then said item would be placed on the voting ballot for the membership at the current Convention. If the Executive Council voted to oppose an agenda item or takes no action on an agenda item, then the opinion of the Executive Council stands as the position of the membership, unless the agenda item receives a motion from the floor to place the item on the voting ballot at that convention, a second, and a majority vote from members present at the meeting (vote shall be conducted by voice, if the decision of the membership is not clear then a vote shall be conducted by hand).

All proposals received prior to the final Executive Council conference call of the calendar year to be considered at convention shall be made available to the Division II general membership prior to the start of the convention.

**Voting**

Members must be present to vote at convention. Voting is a Membership Vote, unless the Chairman and/or a plurality of the Executive Council calls for a Unit Vote. All voting will take place on the final day of convention during the Division II General Voting Session.

**Types**

**Membership:** Voting is conducted by member coach. Each Division II coach from a member program, who is present at the voting session(s), receives one (1) vote. Coaches may **not** cast a ballot for a coach who is absent from the official voting session(s).

**Unit Vote:** Voting is conducted by program. Each institutional program receives one vote, such that a Division II men’s or women’s program receives one (1) vote, and a Division II combined men’s and women’s program receives two (2) votes. Only one designated representative per institutional program may cast a vote. This designated representative need not be the head coach. Coaches may **not** cast a ballot for institutions that have no representatives present at the official voting session(s).

**Action**

The Chairman, along with the USTFCCA national office, is responsible for ensuring that appropriate action is taken following the annual convention/business meeting, particularly as necessitated by the results of Division II general voting sessions.
Conference Calls

Purpose
Division II Executive Council conference calls serve to inform Division II Executive Council members of issues affecting the Division II membership. These calls also provide a forum for discussion of Division II issues.

Attendance Requirement
Attendance on conference calls is mandatory for all Division II Executive Council Officers. Those who will not be able to attend should notify the Chairman as soon as possible.

Business
Items of business may be brought forward to the Chairman for inclusion on a conference call agenda prior to the call. Participants in the conference call may propose additional agenda items while on the call during the designated time for new business. Division II Executive Council conference calls follow the Bylaws of the U.S. Track and Field and Cross Country Coaches Association, the Division II Operating Bylaws, and this Handbook. When a procedural question is not defined within these documents, the Division II Executive Council conference calls follow Robert’s Rules of Order, Newly Revised.

The Executive Council may vote during or in conjunction with a regularly scheduled or special conference call, as necessary. All members of the Executive Council should be notified in advance of the call, and a necessary quorum must be established in order for a vote to take place.

Action
The Chairman, along with the USTFCCCA national office, is responsible for ensuring that appropriate action is taken following conference calls, particularly in preparing the agenda for the annual convention/business meeting.
