USTFCCCA item-new award with budget impact (design/setup of certificate, mailing costs)

Seek implementation in next USTFCCCA budget cycle (FY 2018)

Naming All-Academic Awardees (Mason Rebarchek)

Change the criteria for naming USTFCCCA Individual All-Academic Awards so that they include the honor-roll ranking instead of the provisional standard. In addition to the current 3.25 grade point

average that is required. We would use a top 50 mark on the Division II honor roll to determine the award recipients.
