Rankings for this week are based on an athlete's best as compiled by the NCAA Committee for the 2009 indoor season, with combined events as an exception. Combined event rankings are totaled using a combination of current performances, "C", from the 2009 season and performances achieved in 2008 (or 2007 if an athlete redshirted in '08) and will be active through Week 5.

Rankings for this week are based on an athlete's best as compiled by the NCAA Committee for the 2009 indoor season, with combined events as an exception. Combined event rankings are totaled using a combination of current performances, "C", from the 2009 season and performances achieved in 2008 (or 2007 if an athlete redshirted in '08) and will be active through Week 5.
