

# COFFEYVILLE COPS N. J. C. A. A. CROSS-COUNTRY MEET, MICHIGAN

By Roy Doornbos, Region XII, Director

Coffeyville, Kansas won the N.J.C.A.A. Cross Country meet at Jackson, Michigan on November 11th. The course at Sharp Park was in excellent condition. The weather was ideal with the temperature in the high 50's and only a slight breeze blowing.

The course was marked very well with flags and a continuous white lime mark to guide the runners.

There were approximately 200 people in attendance.

There was a dinner after the meet at which time the trophies and medals were presented by Hobart Bolerjack.

Four regions were represented. They were — Region XII, XV, IV, and III. (I am not sure if both Hutchinson and Coffeyville are in the same region.)

Mr. Bill Ogden of Jackson Junior College and Ken Beardslee of Spring Arbor Junior College deserve a vote of thanks for a well organized and conducted meet.

The winning time broke the course record by almost a minute. The old record 16.26.
