

Central Oregon CC Captures Men's 1992 Division I Cross Country Title

by LAURIE HAGAR
The Arizona Republic

The national junior college cross-country championships in Tempe on Saturday were a display of international running talent.

The top two finishers in the men's race are from Kenya. The top two women are from Jamaica. Central Arizona College, in Coolidge, at fourth, placed highest among Arizona's schools behind a Somali runner.

Central Oregon unseated South Plains (Texas) to win the men's title for the second time in four years. South Plains had won it the past two years.
