This report lists the individual mock selections based on individual RPI (iRPI). Those who would be chosen to the championship field based on their winning of an individual conference championship are listed first (in order of iRPI rank), followed by those who would be selected in an at-large selection process (in order of iRPI rank and rank-order of selection pool). Those in the selection pool with an iRPI in the top 250 and not chosen as part of a participating team or not chosen in an individual selection process are listed last in order of iRPI.

iRPI Rk – iRPI Rank – Athlete's national ranking among all eligible individuals of iRPI. Those shaded in red would not have participated in the First Round of the National Championships based on mock selections.

iRPI – Individual RPI – Result of athlete's iRPI calculation and the number used in rank-order evaluation.

Mock Selection – The status of the athlete in the mock selection.
   (shaded in orange) Indiv-CC: Athlete is an individual conference champion not on an already selected team
   (shaded in blue) Indiv-ATL(n): Athlete is an individual selected as an individual entry in the mock-selection process and not already on a mock-selected team. (n) is the order in which individual was selected and rank-order within the individual selection pool.
   *not sel.(n): Athlete not selected as part of the individual mock selection process and not on a qualified team. (n) is the rank-order within the individual selection pool.

Conf. (Pl) – Athlete's conference and conference championship place – Conference champions are shaded in beige, no matter their mock selection status.

Races – Eligible races – Number of eligible races athlete finished in regular season. Those with two eligible races are shaded in yellow. Those who only finished the conference championship are listed as having one eligible race and are shaded in red.

Winning Pct. – Winning percentage, one element of the iRPI calculation;
W-L – Win-loss record of the individual
Pct. – The winning percentage of the individual in a decimal
Rk – Athlete's national ranking of winning percentage among eligible athletes. National leader(s) are shaded in dark blue.

Str. Of Sked. – Strength-of-schedule, one element of the iRPI calculation;
SOS – Strength-of-schedule, listed as a decimal, is cumulative winning percentage of the athlete's opponents' win-loss records.
Rk – Athlete's national ranking of strength-of-schedule among eligible athletes. National leader(s) are shaded in dark blue.

Actual Team/Indiv – Actual selection status of athlete in the season in question
   Team-R1: Athlete a member of a region champion, automatically-selected team.
   Team-R2: Athlete a member of a region runner-up, automatically-selected team.
   Team-ATL: Athlete a member of a selected at-large team.
   Indiv: Athlete selected automatically or at-large to the national championship field. (shaded in yellow)
   *not selected: Athlete not on a qualified team or selected individually to the national championship.

NCAA Rk – Actual national championships final ranking
Team – Athlete's team actual team finish at the national championships
Indiv. – Athlete's actual individual finish at the national championships. The national champion is shaded in dark blue. All-America honorees (top 40) are shaded in light blue. Athletes who were selected as an individual entry into the actual national championships and not selected in a mock process are highlighted in red.

							Winning Pct.			Str. of Sked.		*Actual*	*NCAA Rk*	
iRPI Rk	Athlete	TEAM	iRPI	Mock Selection	Conf. (Pl)	Races	W-L	Pct.	Rk	SOS	Rk	Team/Indiv	Team	Indiv.

This report lists the individual mock selections based on individual RPI (iRPI). Those who would be chosen to the championship field based on their winning of an individual conference championship are listed first (in order of iRPI rank), followed by those who would be selected in an at-large selection process (in order of iRPI rank and rank-order of selection pool). Those in the selection pool with an iRPI in the top 250 and not chosen as part of a participating team or not chosen in an individual selection process are listed last in order of iRPI.

iRPI Rk – iRPI Rank – Athlete's national ranking among all eligible individuals of iRPI. Those shaded in red would not have participated in the First Round of the National Championships based on mock selections.

iRPI – Individual RPI – Result of athlete's iRPI calculation and the number used in rank-order evaluation.

Mock Selection – The status of the athlete in the mock selection.
  (shaded in orange) Indiv-CC: Athlete is an individual conference champion not on an already selected team
  (shaded in blue) Indiv-ATL(n): Athlete is an individual selected as an individual entry in the mock-selection process and not already on a mock-selected team. (n) is the order in which individual was selected and rank-order within the individual selection pool.
  *not sel.(n): Athlete not selected as part of the individual mock selection process and not on a qualified team. (n) is the rank-order within the individual selection pool.

Conf. (Pl) – Athlete's conference and conference championship place – Conference champions are shaded in beige, no matter their mock selection status.

Races – Eligible races – Number of eligible races athlete finished in regular season. Those with two eligible races are shaded in yellow. Those who only finished the conference championship are listed as having one eligible race and are shaded in red.

Winning Pct. – Winning percentage, one element of the iRPI calculation;
W-L – Win-loss record of the individual
Pct. – The winning percentage of the individual in a decimal
Rk – Athlete's national ranking of winning percentage among eligible athletes. National leader(s) are shaded in dark blue.

Str. Of Sked. – Strength-of-schedule, one element of the iRPI calculation;
SOS – Strength-of-schedule, listed as a decimal, is cumulative winning percentage of the athlete's opponents' win-loss records.
Rk – Athlete's national ranking of strength-of-schedule among eligible athletes. National leader(s) are shaded in dark blue.

Actual Team/Indiv – Actual selection status of athlete in the season in question
  Team-R1: Athlete a member of a region champion, automatically-selected team.
  Team-R2: Athlete a member of a region runner-up, automatically-selected team.
  Team-ATL: Athlete a member of a selected at-large team.
  Indiv: Athlete selected automatically or at-large to the national championship field. (shaded in yellow)
  *not selected: Athlete not on a qualified team or selected individually to the national championship.

NCAA Rk – Actual national championships final ranking
Team – Athlete's team actual team finish at the national championships
Indiv. – Athlete's actual individual finish at the national championships. The national champion is shaded in dark blue. All-America honorees (top 40) are shaded in light blue. Athletes who were selected as an individual entry into the actual national championships and not selected in a mock process are highlighted in red.
